16% Upfront No-Claim Discount upon Successful Application

Unlike conventional medical plans in the market, "TopCare" offers an annual premium discount of 16% immediately following successful new application until the first claim is made. Medical services performed during day case procedure, special cash allowances or emergency outpatient treatment (accident) will not affect the no-claim discount.

If there is a claim, you can still enjoy 8% premium discount in the next policy year and 0% afterwards. If no claim is made for 3 consecutive policy years (No-Claim Period), the rate of no-claim discount will revert to 16% to encourage you to stay healthy.

Example of no-claim discount:

(Examples show how a claim would affect no-claim discount and assume no claim is made for 3 consecutive years after such claim)
